

MANGESH JAGTAP

A disciple of Santoor Maestro Lt. Pandit Ulhas Bapat and Pt. Surendra Sharma. An accomplished and well-established Santoor, Harpejji instrumentalist. Bring new life to the ancient Santoor, combining cinematic styles and endless imagination in my performances.

As a versatile musician, his expertise extends beyond the Santoor and Harpejji to include the Melodica, Harmonium and Keytar. As a composer and innovator, he draw inspiration from diverse genres such as country, world, renaissance, folk, and classical music. I have released numerous studio albums and a regular artist in the Bollywood industry, showcasing his multifaceted talent and creative vision.

EXPERIENCE

His experience includes performing at numerous prestigious festivals and concerts across India and internationally. Mangesh's santoor performances often focus on creating intricate, melodic structures and a refined sense of rhythm, which is characteristic of the instrument. He is known for his ability to evoke emotion through his music, drawing audiences into the intricate sounds of the santoor.
