About Me

I am Mangesh Jagtap, a disciple of Santoor Maestro Lt. Pandit Ulhas Bapat and Pt. Surendra Sharma. I am an accomplished and well-established Santoor, Harpejji instrumentalist. I bring new life to the ancient Santoor, combining cinematic styles and endless imagination in my performances.

As a versatile musician, my expertise extends beyond the Santoor and Harpejji to include the Piano, harmonium and Guitar. As a composer and innovator, I draw inspiration from diverse genres such as country, world, Renaissance, folk, and classical music. I have released numerous studio albums and am a regular artist in the Bollywood industry, showcasing my multifaceted talent and creative vision.
